ENFORCEMENT CONFIDENTIAL

(Preliminary ENF-RC Management Update – This is for you, and Richard will be providing an update later to Suzanne)

FYI Below

Additionally, we have received follow-up questions for Hennis regarding his financials from Toeroek's in-house and outside expert. Richard has already provided this to Hennis' attorney. We also (via Toeroek) helped the OSC identify the workings at Brooklyn Mine via new PRP search work in the area.
